Gastroenterology CME

27th August 2016

Venue: IGMC Auditorium

Golden
Jubilee
Year

1968-2016

Conference:-

Room no 110 C, Endoscopy Room
Deptt. of Gastroenterology IGMC, Shimla

Dear Colleagues,

We at IGMC, Shimla are organizing Gastroenterology CME on 27th August 2016. The Organizing committee solicits the active participation of Gastroenterology fraternity to make this CME truly successful and memorable.

Shimla is capital of Himachal Pradesh which has glorious distinction of being the Summer capital of British India and still known for its elitist schools. It is also adored as the queen of hills stations and attract tourists all around the year from India and abroad. Shimla is about 400 km from Delhi and is well connected by rail and road to all parts of India. It is situated an altitude of 2200 metre and latitude 31°6' Longitude 77° 13'E. The temperature rages between 14°C to 28°C in summer and 3°C to 10°C in winter.

During CME time, the summer at Shimla will be at its best and it will provide an opportunity to escape from heat of plains. Academic activity and meeting your old friends in such pleasant weather will be treasured in memory for a long time. Hope to see you in August, 2016.
