Dear Dr.

It is my proud privilege to inform that Orthopaedic Research Society IGMC Shimla is organizing 2nd Post Graduate teaching Course on 28th, 29th and 30th April 2017 at HIPA, Fair lawns Shimla. Organizing Committee takes pleasure in inviting your participation for this course being organized by the Department of Orthopaedic Surgery under the aegis of Orthopaedic Research Society IGMC Shimla and HP chapter of Indian Orthopaedic Association on 28th, 29th and 30th April 2017 at HIPA Fair lawns Shimla. The first course was held in the year 2016 and was a great success.

The course shall focus on Clinical examination, Case presentations and interaction with the faculty members. Eminent faculty and experienced teachers are the main attraction of this course who will help and guide in preparation for the exams. A big academic feast and a grand hospitality awaits the delegates to the Queen of hills Shimla.

Shimla the erstwhile summer capital of British India is known for its beautiful landscapes, scenic beauty, historical buildings of the era of the Raj and above all a cool, comfortable and fabulous weather in summers that would provide much needed reprieve from the scorching heat of the plains. It is a tourist's paradise in summers. We look forward to welcome you later in April and we hope that this course would provide a perfect blend of academics and recreation.

Faculty
